(Include a label for each of the fertilizer products listed above.)

(See back of this page for instructions.)

## AUTHORITY FOR REGISTRATION:

Title 35, Article 12, CRS -- Each commercial fertilizer, soil conditioner and/or plant amendment product must be registered by the person whose name appears on the label before being distributed into or used in the State of Colorado.

**REGISTRATION FEE:** \$40.00 per product.

## INSTRUCTIONS FOR COMPLETING THIS APPLICATION:

1. List company name, address, telephone numbers, e-mail address and product/brand information.
2. *Send completed application, registration fee(s) and labels for all fertilizers listed on this application to:*

Colorado Department of Agriculture  
Fertilizer Program  
2331 W. 31<sup>ST</sup> Avenue  
Denver, CO 80211-3859

When the labels have been approved, a certificate of registration will be mailed to you.

**All registrations expire on December 31st of each year.** Please note: The fertilizer law makes no provision for reducing or remitting any part of the fee to cover any fraction of the year.

For further information regarding the registration of products or enforcement of the Colorado Commercial Fertilizer Law, contact:

Colorado Department of Agriculture  
Inspection and Consumer Services  
Fertilizer Program  
2331 W. 31<sup>ST</sup> Avenue  
Denver, CO 80211-3859  
Phone: (303) 477-0086 Fax: (303) 480-9236  
Website: [www.colorado.gov/ag/ics](http://www.colorado.gov/ag/ics)

## SECONDARY AND MICRONUTRIENTS:

When claims for micronutrients are made, the minimum percentages that will be accepted are as follows:

Calcium (Ca)	1.00%	Copper (Cu)	0.05%
Magnesium (Mg)	0.50%	Iron (Fe)	0.10%
Sulfur (S)	1.00%	Manganese (Mn)	0.05%
Boron (B)	0.02%	Molybdenum (Mo)	0.0005%
Chlorine (C)	0.10%	Sodium (Na)	0.10%
Cobalt (Co)	0.0005%	Zinc (Zn)	0.05%

## INSPECTION FEES:

- Registrants, except those who package fertilizers, soil conditioners and/or plant amendments in containers of 10 pounds or less, must pay for all commercial fertilizers distributed in the State of Colorado an inspection fee of \$.60/ton.
- Registrants of soil conditioners and/or plant amendments must pay an inspection fee of \$.10/ton.
- Registrants of specialty fertilizers packaged in containers of 10 pounds or less must pay an inspection fee of \$.01/pound.

Each registrant must file an annual tonnage affidavit (January 1 – December 31) within 45 days after each December 31 showing the tonnage of fertilizers, soil conditioners and/or plant amendments sold or distributed in the State of Colorado during the preceding 12-month period.

Each person, firm or corporation registering fertilizers, soil conditioners and/or plant amendments in the State of Colorado must keep adequate records showing the tonnage of all registered products shipped to, sold, offered for sale or distributed in the State of Colorado. The Commissioner and his duly authorized representatives shall have authority to examine such records to verify the statement of tonnage.
